

DETROIT BOAT SHOW

Cobo Center Loading Dock

2nd Street will take you straight up the ramp to the Cobo loading dock.

If you are on Congress headed toward 2nd Street be sure to stay right so you don't enter the freeway entrance ramp just before 2nd Street.

NOTE: We recommend you use Mapquest at www.mapquest.com or other similar program to obtain directions. Also, Michigan Department of Transportation has a number of road and bridge construction projects and there is always a chance you may encounter construction detours. Be prepared to select alternate routes. Check www.michigan.gov/mdot for details.
